

ZETTERBERGS INDUSTRI AB

Tipper, Dumper and Hooklift

Warranty

For our product, we provide the following warranty for 12 months after the delivery date, unless otherwise agreed.

In connection with the delivery of the product, a product delivery binder is obtained which contains the instruction book, the service plan, the product receipt certificate, with more.

In order for the guarantee to apply, a signed receipt certificate must be returned to Zetterberg's industry.

Scope of the guarantee

- For Zetterbergs Industri AB's products and components in connection with new production.
- For faults that occur during delivery or that occur during the warranty period.
- For faults and deviations on the surface treatment of the product that have occurred due to material defects or faults in the painting process.

It is the buyers responsibility to immediately report the error to Zetterbergs via the website, [www.zetterbergs / complaints](http://www.zetterbergs.com/complaints), when the error has occurred.

Guarantee requires that the receipt certificate is sent to Zetterbergs Industri AB

The warranty does not cover

- Consumable parts and consumable materials, such as oils, lubricants, welding materials and sliding plates.
- If the product is not maintained in accordance with the instructions in the instruction manual.
- If the product was neglected or abused.
- If the product has been rebuilt or modified.
- Traffic accident or other external impact.
- Other oils or liquids are used than recommended.

3 month warranty is provided on repair work done by Zetterbergs Industri AB.

Spare parts come with a 12 month warranty.

Labour costs are not reimbursed.

For details replaced during the warranty period, the original warranty period applies. The buyer bears the cost and is responsible for the risk of returned incorrect material. For other issues, General Delivery Regulations "LFG 10" apply.
