Zetterbergs Industri AB shall be a prioritized cooperation partner where applicable development, production and sale of components and superstructures for trucks.

Trough our principles and working methods, we live up to the binding requirements of our stakeholders. In business, we work with continuous improvements in both the quality and environmental areas.

Within Zetterbergs, we are constantly striving to reduce and prevent burdens on environment which for us means, among other things, minimizing emissions of negative greenhouse gases.

ZIS- Zetterbergs industrial system, contains the values, principles and priorities that guides us, principles and priorities that guides us in the short and long term and contributes to customer value.

Zetterbergs business policy is also available on the company`s website and shall updated with the current edition after changes.

Lars Erfäldt, CEO
